Foreword

The communities of Lancaster, Winnipeg, Goshen, Saskatoon, Chicago, Elkhart, New York, Chambersburg, Sarasota, Quakertown, Red Lake, Harrisonburg, Vancouver, Hagerstown, Salem, Manheim, Philadelphia, Elizabethtown, Kitchener, Fresno, Wichita, Nappanee, Belleville, Ephrata, Harrisburg, Lititz, and Clearbrook are home for six or more congregations of the Mennonite family (Mennonite, General Conference, Mennonite Brethren, and Brethren in Christ) in North America. This is reflected in the expanded Regional Directory, which includes for the first time a complete integrated listing of congregations from these four groups. While the *Yearbook* continues to reflect the life and structure of the Mennonite Church in North America (Lombard, Ill.), this new feature is designed to help readers become more aware of the larger Mennonite world in which their congregations live. In light of the Mennonite World Conference meeting in July 1978, this listing seeks to encourage inter-Mennonite awareness and cooperation among Mennonite and Brethren in Christ congregations. One result of the preparation of this listing was the discovery that 29 congregations are affiliated with two or more of the four bodies.

Other features in this volume of the *Yearbook* continue with further enrichment and refinement. Several highlights are: (1) In the regional directory, the membership/congregations of the conferences of the Mennonite Church is charted for each region. (2) In the conference directory, where the church office address and/or telephone number is different from the home of the pastor/contact person, this information has been added. (3) Two new conferences (Conservative Fellowship and Western Conservative Fellowship) were added to the conference directory. Congregations of these conferences were formerly listed individually in the Unaffiliated Mennonite Congregations section. Consequently the number of unaffiliated congregations has dropped from 133 to 119. (4) Two new churches (Evangelical Mennonite Church Conference of Northwest Mexico and Nicaragua Mennonite Conference) were added to the directory of overseas churches. The total North American and Overseas Mennonite Church-related conferences now stands at 51. (5) In the Inter-Mennonite projects section a detailed listing of Mennonite Relief Sales and MCC Thrift Shops has been included. This reflects increased participation in these projects by Mennonite congregations. (6) Two comparative tables (Mennonite Church Giving, Table X, and the Mennonite Mutual Aid Association Programs, Table XIV) are now included in the statistical section to help readers see these in their historical perspective.

Mennonite Church membership stands at 135,683, a gain of 4,128 over last year (see Table III). Membership of the Mennonite bodies in North America increased from 308,801 to 317,753 (see Table IV). World membership now stands at 607,500 (see Table VII). Per-member giving in the Mennonite Church rose $27.07 over the previous fiscal year to $291.82. A total of $29,481,087 was contributed for the work of the church (see Table XIII).

Space does not permit the listing of all those who supplied information for the *Yearbook*. But at the risk of naming some and not including everyone here is the beginning of a long list of those who helped. They are: Mahlon A. Miller, Titus K. Burkholder, Levi Miller, Melvin Horst, Orrville E. Martin, Benjamin H. Noll, Willard Mayer, Rose A. Moyer, Clarence R. Sutter, June Schwartzentruber, Ernest Kauffman, Betty Gerber, Herman F. Myers, Delphine Martin, Patricia Hershberger, Connie Wathen, Wilmer Martin, J. Delbert Erb, Henry L. Buckwalter, Glenn E. Musselman, Elmer Lehman, Alexande A. Adjetey Adjei, James Duncan, Ralph Buckwalter, David W. Shenk, Asrat Gebre, Kenneth Seitz, Elam K. Stauffer, John M. Miller, Raul Rosado Ortiz, Milka Rindzinski, David L. Wenger, Donald Sensenig, Mildred Schrock, Dan Shenk, Donald Garber, Boyd Nelson, Willard Roth, Bev Ramos, Maggie Glick, Debbie Denlinger, and Mary Lou Swartzentruber! To these and many others the church is grateful for providing accurate and helpful information to assist all in their work for the church.

Appreciation also goes to the staff of Mennonite Publishing House who checked and processed all the data, proofread the copy, set the type, prepared the camera-ready copy, printed, bound, and mailed this volume on a short, intense schedule so that the information contained between these covers is as current as possible.—JEH

The Mennonite Church 1978

By Ivan Kauffmann
General Secretary, Mennonite Church General Board

Our History, 1928-1978

The Mennonite Church (Canada and United States) is a fellowship of over 106,000 persons in nearly 1,175 congregations. This represents a growth of 128% in the past 50 years. Persons such as S. C. Yoder, C. F. Derstine, Daniel Kauffman, Allen H. Erb, and others were faithful in sowing the seed. Persons such as Paul Mininger, George R. Brunk, Howard J. Zehr, Paul Erb, and others have faithfully watered it. And God has been faithful in giving the increase (1 Corinthians 3:6). For this we give thanks to God and acknowledge His work of love and grace among us. We recognize that the church belongs to Christ and that it is He who is building it (Matthew 16:18). To us have been given the keys of the kingdom of heaven (Matthew 16:19); and to the extent of our faithfulness in using them, the church has grown. In humility and with a repentant heart we confess that Christ could have done more building if we had been more faithful in the use of these keys.

The Keys to the Kingdom

What are these keys which have been given by Christ to His followers? Opinions are varied, and consequently the applications by the various Christian groups differ widely. I am suggesting a practical interpretation of their meaning and am listing the following:

1. *The Proclamation of Forgiveness.* To those who are on the outside of the kingdom, there is only one door by which to enter and that is Jesus Christ (John 10:7, 9). Anyone is eligible to enter the kingdom because God is offering His saving grace and a full pardon to those who will repent and believe in Jesus Christ (Titus 3:3-7).

Many people do not know that past sins and life-wrecking mistakes can be fully forgiven. Many have never heard the good news that a person can have a new birth and get a fresh start in life. This key can unlock the door to a new life.

2. *The Power of the Holy Spirit.* There are many who admire the Christian life, and even desire it, but who hesitate because it seems beyond their capacity to achieve. The ideals and demands are too high and great. They do not know that the one who faithfully follows Christ is doing so in the power of the Holy Spirit (Acts 1:8).

The fruit of the Spirit (Galatians 6:22, 23) is evident in the Christian because the Holy Spirit has been given permission to control the total life of that person. The gifts of the Spirit (1 Corinthians 12:7-11) are in use by the Christian because the Spirit has given the gifts of His choice to that person for work to which he has been called. This key unlocks the door to the fullness of life in Christ and the church.

3. *The Practice of Love.* The love key is the one that identifies the Christian to the whole world. "A new commandment I give to you; that you love one another. . . . All men will know that you are my disciples, if you have love for one another (John 13:34, 35)."

Unfortunately, this key is the one that has been most abused. Our trail in history is scarred with strife, divisions, church splits, and family feuds. Many of these sad events

resulted from selfishness, stubbornness, and a refusal to practice God's kind of love. Many persons have forsaken Christ and the church as a result.

We are called to love our brothers and sisters even when their opinions differ from ours (1 John 4:19-21). This includes being patient while they are growing up, forgiving them when they wrong us, accepting them when they live differently, supporting them when they are in need, and affirming them when they excel over us.

We are called to love not only our brothers and sisters, but our neighbors, and also our enemies (Luke 10:27; 6:27). This is the key that breaks down barriers, overcomes evil, and establishes meaningful relationships in the church, family, and society.

4. *The Prayer of Faith.* Christians are always in the minority and are aware of the fact that the road they are traveling is the narrow one which few have found. At the same time the mission to which they are called is so large that it seems impossible to complete the task. Most Christians never feel capable or qualified to do the things to which God has called them. And it is true that our mission is humanly impossible.

But the key of prayer—the prayer of faith can unlock the door to getting God's work done even in what may seem to be an impossible situation. God "who began a good work in you will bring it to completion at the day of Jesus Christ" (Philippians 1:6). God is fully competent and able to bring His eternal plan to a successful fulfillment.

So we are told to ask and promised that we will receive (Matthew 7:7, 8). Even though our faith may be small God can honor it by the moving of a mountain. God always is able to do above and beyond what we ask or imagine! We have not because we ask not! (James 4:2-3). This key of prayer should be used to open the door through which the rich blessings of God can be poured out upon the church and the world.

5. *The Servant Role.* The church needs to remember the example of the Lord and Savior Jesus Christ and follow in His steps (1 Peter 2:21-25). It was Jesus who assumed the role of the servant and washed the feet of His disciples (John 13). It was He who taught that the one who would be greatest in the kingdom must be the servant of all. It was He who gave His life to fulfill His mission.

The church needs to remember that Christ's kingdom does not come into being by means of political power nor by means of manipulative control of people's lives. The church must perceive that its role is to be that of a servant. It gives of its resources to alleviate the hurts of those who are suffering. It serves those who are unable to help themselves. It ministers to the needs of mankind, whatever they may be. It sacrifices itself for the accomplishment of righteousness and justice for all humanity. It is ready to lose itself for the cause of Christ.

This key is the secret one—many would not ever guess that it unlocks the door to the life with the greatest rewards.

6. *A Life of Peace, Righteousness, and Justice.* Ours is a world of violence, immorality, and injustice. Governments attempt to stop the worsening situation with weapons of war, stricter laws, and larger police forces. These violent efforts, though strongly enforced, can restrain evil temporarily, but rarely deal with the source of evil.

This key opens the door to the search for peace, righteousness, and justice. It is one which transforms the lives of followers of Christ into the likeness of Christ. They become peacemakers in the arena of human affairs. They live a pure life in the midst of corruption. They seek justice for those who are oppressed. This key opens the door for which many are searching, but for which many search in the wrong way. This key is often seen as impractical, futile, and too costly. But it is the only key that unlocks the door for genuine kingdom living.

7. *Faithful Stewardship.* God has entrusted the Mennonite Church with a vast amount of resources and opportunities. There are limitless ways for communicating the gosepl in word and deed. Our wealth today exceeds that of any preceding generation. We have trained and gifted persons for nearly every vocation. Do we also have the commitment to Christ and the dedication to His mission to match our God-given resources? Will we be faithful stewards of them?

This is the key that makes the real difference. It can open the door that makes all of the other keys fruitful, or it can lock the door and cause us to become misers and beggars. It is the difference between laying up treasures in heaven and laying up treasures upon earth (Matthew 6:19-21).

Our Future, 1978-1988

I am confident that the Mennonite Church can double its membership in the next 10 years. If this happens it will largely depend on the faithful use by the church of the "keys of the kingdom," as described above. Doubling our size isn't really that impossible or staggering to the imagination. It would look something like this:

Year	*Rate of Increase*	*Membership*
1978		106,000
1979	5%	111,300
1980	5½%	117,421
1981	6%	124,466
1982	6½%	132,557
1983	7%	141,836
1984	7½%	152,473
1985	8%	164,671
1986	8½%	178,688
1987	9%	194,749
1988	9½%	213,250

How to Begin?

1. The best way to begin is to pray that the Lord will add to the church daily those who are being saved (Acts 2:47). As a church we will need to be aware of the presence of the Lord in our midst. We must pray for His guidance and seek to work and witness in the power of the Holy Spirit. Building the church is the work of Christ and we are laborers together with Him (1 Corinthians 3:9).

2. *Our attitude toward our faith will need to change.* We have been too apologetic about our church and its beliefs. Our faith is based on the true foundation, Jesus Christ. He calls us to the way of life that brings peace, hope, and a meaningful existence for now and in the future. Our faith has a solution for all of life's problems. Many people are in search of this solution. Our faith is a priceless treasure that needs to be shared. We need to comprehend its great value.

3. *Every congregation will need to take its discipling mission seriously.* Members of congregations will need to commit themselves to obey Christ and to function as members of His body. All will need to exercise their gifts in helping one another to grow as faithful disciples and to enlist new disciples in the kingdom movement.

Are We Ready?

Are we as a church ready to respond in an obedient use of that which has been committed to us? Are we ready to use the "keys of the kingdom"? May God awaken us from our lethargy, kindle the fires of conviction within us, empower us with His Holy Spirit, and enable us to communicate His love and grace in word and deed. May His name be praised and Christ's church enlarged.

Mennonite Church Regional Boundarie

Regional Directory of Congregations

This directory lists Mennonite Church congregations according to the region in which they are located. Within each region congregations are listed alphabetically by state/province and city. This directory includes all the Mennnonite Church congregations which are listed in the "Conference and District Directory of Congregations." Most of these congregations are members of district conferences; however, some ("Unaffiliated Mennonite Congregations") are not related to any district or conference. Most participate in the regional activities and send delegates to the General Assembly; however, some do not. These factors are noted at the beginning of each regional listing.

In addition, the directory includes all congregations affiliated with the Brethren in Christ, General Conference Mennonite, and Mennonite Brethren churches. These are integrated with the Mennonite congregations but set in italic type for ease of identification. Information listed about these congregations includes name, number, affiliation (*BIC*—Brethren in Christ; *GC*—General Conference Mennonite; and *MB*—Mennonite Brethren), and location.

Regional geographical area, officers, committees, a summary of the Mennonite Church conference affiliation of congregations, membership, and a listing of delegates to Mennonite General Assembly are noted with each region. Information regarding district conference organizations, bishops/overseers, and congregations is found in the "Conference and District Directory of Congregations" section of this volume.

The purpose of this directory is to provide information regarding the meetinghouse of the congregation. It is designed to assist readers in their efforts to find or contact the congregation at its meetinghouse. Note that the location of the meetinghouse is *not* a mailing address. All mail should be directed to the office or the first person listed under the congregation in the "Conference and District Directory of Congregations." Persons desiring to get in touch with the pastor, or contact person of a congregation, should follow the information provided in the "Conference and District Directory of Congregations." Effort was made to secure complete and accurate information about each congregation listed. If there are errors and/or there is data missing, please provide full information to the Editor, *Mennonite Yearbook*, Mennonite Publishing House, 616 Walnut Ave., Scottdale, PA 15683. ote: For explanation of congregational listing and codes, see beginning of "Regional Directory of Congrega-
ons." Conference codes are described at the beginning of each region.

Conference and District Directory of Congregations

This directory lists Mennonite Church conferences alphabetically by name of conference or district. Within each conference, congregations are listed alphabetically by name of congregation. Note one exception: Within the Conservative Mennonite Conference congregations are listed alphabetically by country and state. Within each state, congregations are listed alphabetically by name of congregation. A few of the conferences and districts do not participate with regional planning groups nor send delegates to the General Assembly. Note that the Eastern Pennsylvania Mennonite Church and the Beachy Amish are listed in separate directories later in this volume.

The purpose of this directory is to provide all the information needed to contact one person (pastor or contact person) for a given congregation by mail or phone without needing to consult other sections of the *Yearbook*. This person is noted with a number 1 after the ministerial status code. Ordained persons who carry active responsibility in the congregation are also listed with each congregation. These carry a number 2. Ordained persons who are retired or without congregational responsibility or are serving as active missionaries overseas are listed in paragraphs with the respective conference and district organizations. Ordained persons who carry district, conference, or churchwide responsibilities in addition to congregational duties are designated by the number 5. Ordained persons serving as chaplains are listed in the "Ministerial Directory" only. Note one exception: In the listing of "Unaffiliated Mennonite Congregations," all ordained persons are included with each congregation regardless of their ministerial function.

The mailing address and telephone number of the church office is listed for those congregations whose office address or telephone number is different from that of the pastor or contact person. The address and telephone number of the pastor or contact person is the home address and number, not that of the meetinghouse or office. Information regarding the meetinghouse (location, telephone, etc.) is provided in the "Regional Directory of Congregations" section of this volume. An example of a complete congregational listing is as follows:

name of congregation	*cong. number*	*date of organization*	*cong. code*	*dist. conf. cross ref. no.*	*city, state/province*	*region*	*cong. members*

Church Communities

Church communities is a broad designation for the house churches and intentional communities within the Anabaptist-Mennonite movement. Communities listed relate in a variety of ways to the Mennonite Church, as well as other churches and movements. Most communities follow a multiple-shared pattern of leadership. However, in the listing below, the name of only one person is given in order to provide a point of contact with the community. Some communities hold membership in a district conference. The conference abbreviation is noted in the parenthesis following the the region.

Directory of Overseas Mennonite Churches

(Related to Mennonite Church)

This directory lists overseas conferences which emerged out of mission work conducted by the Mennonite Board of Missions as well as district and conference mission boards. These conferences, though independent, maintain continuing fraternal ties to the Mennonite Church in North America.

The conferences are listed alphabetically by name of conference. Within each conference the congregations are listed alphabetically by name of congregation. With each congregation is listed the name of the pastor or leader. Only one name is included. Other persons active in the leadership of the congregation are included in the Ministerial Directory. A complete congregational listing would include the following: (See beginning of "Conference and District Directory of Congregations" for explanation of status of pastor/leader. Note that the geographical location of the meetinghouse is *not* a mailing address. Address all correspondence in the name of the pastor or leader whose address is found in the Ministerial Directory of this volume.)

Mennonite Church Ministerial Directory

This directory lists all ordained persons who are members of the Mennonite Church in North America and the Overseas Mennonite Churches related to it. The information provided for each person is as follows: name; address; telephone; status and function; date of birth; date of ordination and/or license as deacon, minister, and/or bishop/overseer; congregational name and number (if person carries function No. 1); conference affiliation; and region in which the person lives. See example below. Where information is not available or not applicable (for example, the category of region for Overseas Mennonite Churches), it is omitted. Codes used in this listing are noted below.

Every effort has been made to secure complete and accurate information for each person listed. However, the situation of persons may change or the information was not available at the time when it was gathered. It would be most helpful if each person would check the accuracy of the information that is listed. If there are errors and/or there is information missing, please send the correct and/or full information to the Editor, *Mennonite Yearbook*, Mennonite Publishing House, 616 Walnut Ave., Scottdale, PA 15683. Your help will make the *Mennonite Yearbook* a more useful and reliable tool for the brotherhood.

The Mennonite Hymnal

The reception and appreciation for *The Mennonite Hymnal* by both the Mennonite Church and the General Conference Mennonite Church have been especially gratifying. The quality of the hymns, the wide range of topics, the various kinds of music, and the Additional Worship Resources likely account for this fine acceptance.

Below are listed the titles of the main sections of the Contents of the Hymns section:

	Hymns		Hymns
God	88	Mission of the Church	41
Jesus Christ	116	Home and Family	17
The Holy Spirit	13	Times and Seasons	50
The Holy Scriptures	7	Gospel Songs	68
Life in Christ	147	Choral Hymns	25
The Church	47	Musical Aids to Worship	34

The Additional Worship Resources contain the following:

Scripture Readings	66	Congregational Responses	10
Affirmations of Faith	4	Prayers	19

In addition there are eight well-prepared indexes to help you find the songs, tunes, meters, scriptural allusions, topics, and German songs in the book.

The *Hymnal* is printed in round and shape notes and is available in either regular binding or loose-leaf binding. Prices: $5.50 per single copy; $5.00 per copy in quantities of fifty or more; $9.95 for loose-leaf edition.

Orders may be sent to the Mennonite Publishing House, Scottdale, PA 15683, or to your local Provident Bookstore.

To keep you informed, *Gospel Herald* offers

The Every Home Plan

The *Gospel Herald* helps Mennonites think together about the meaning of our faith and the call to be Christ's people. It provides news of what the church is doing to carry on His work. The **Every Home Plan** makes it convenient for all to subscribe to and read the *Gospel Herald.*

We invite you to consider the *Gospel Herald* **Every Home Plan** for your congregation. With this plan the *Gospel Herald* is sent to every resident household of the congregation and the subscription cost is a part of the congregation's budget. The cost is about 20 percent below the regular individual rate.

An **Every Home Plan** can begin at any time of the year. It expires on April 30 each year, so congregations beginning at another time of the year will be charged on a monthly basis for only part of the first year.

A congregation wishing to introduce the **EHP** may receive a six-week introductory subscription free, mailed in bulk to one address. To enroll in the **EHP** or to receive more information, complete and return the coupon below.
